

September 2013 Issue, vol. 101 (4), Suppl. 1, pages 1-22

The guideline “V Diretriz Brasileira de Dislipidemias e Prevenção da Aterosclerose”, published as a number one supplement in the September 2013 of the Arquivos Brasileiros de Cardiologia [Arq Bras Cardiol. 2013; 101(4Supl.1): 1-22], suffered the following corrections in the tables IV and VI: replace the pressure values “120-139” by “120-129”.
