

# BRAZILIAN JOURNAL OF BIOLOGY®

---

---

VOLUME 68

MAY, 2008

NUMBER 2

---

---

## EDITORIAL NOTE

The Brazilian Journal of Biology® is now included in The Thomson Scientific / ISI - Master Journal List. Along with other indexing systems, the Brazilian Journal of Biology® is now being covered by a great number of information, abstracting and indexing services. This is due to the team effort of the organization, authors and referees which together, have worked for this achievement.
