The Brazilian Journal of Medical and Biological Research received a request from the authors to withdraw this manuscript. Meanwhile, the Editors became aware of a denouncement published by independent journalists from the “For Better Science” website including this paper. This denouncement consisted of potential data falsification and/or inaccuracy of results in western blots and flow cytometry plots.

As per consensus between the Authors and the Editors-in-Chief of the Brazilian Journal of Medical and Biological Research (BJMBR), the article titled “Kaempferol suppresses human gastric cancer SNU-216 cell proliferation, promotes cell autophagy, but has no influence on cell apoptosis” that was published in year 2019, volume 52, issue 2, (Epub Feb 14, 2019) has been retracted.
