

Erratum

Marcelo Paschoalete Carlin, Daniel Zanetti Scherrer, Adriana Maria Alves De Tommaso, Carmen Silvia Bertuzzo and Carlos Eduardo Steiner. Determining mutations in *G6PC* and *SLC37A4* genes in a sample of Brazilian patients with glycogen storage disease types Ia and Ib.  
*Genetics and Molecular Biology* 36(4), 502-506.

The authors informed that the mutation reported as p.G68R in the Abstract had been published for the same individual previously. For that reason it was not listed in Table 1, but it was mentioned in the Abstract erroneously. The correct information is: "Four changes were detected in *G6PC*, including two known point mutations (p.R83C and p.Q347X) and two neutral mutations (c.432G>A and c.1176T>C)".
