

Acknowledgement of reviewers for 2023

Agradecimento aos revisores de 2023

The Editor-in-Chief, the Deputy Editor, and the Associate Editors of the Brazilian Journal of Nephrology express their gratitude to each of the **137 researchers** who served as reviewers in 2023. They dedicated their time, effort, and expertise to analyze the submitted manuscripts, ensuring that the best works were published in the journal.
