

ERRATUM

The Figure 1 of the article “Seed performance of different corn genotypes during storage”, published in the Journal of Seed Science, v.35, n.2, p. 207-215, 2013, was printed mistakenly in black and white. The colored Figure can be find bellow. The editors regret the error.

<http://dx.doi.org/10.1590/S2317-15372013000200010>

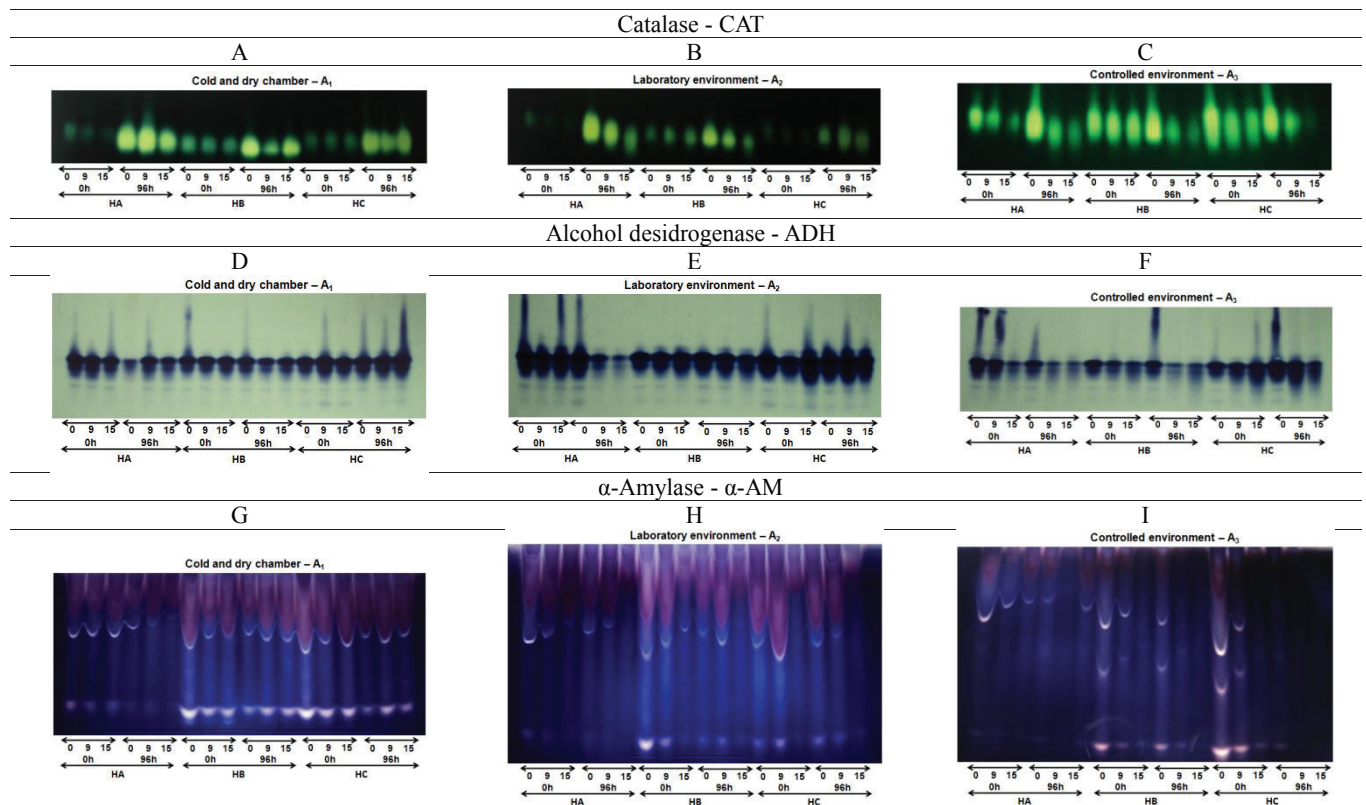

Figure 1. Enzyme pattern of catalase (CAT), alcohol dehydrogenase (ADH) and α -amylase (α -AM) enzymes in seeds of hybrid A (lots 1 and 3), B (lots 4 and 5) and C (lots 7 and 9), subjected to 0, 9 and 15 months of storage, in three conditions (cold and dry chamber – A₁, laboratory environment – A₂ and controlled environment – A₃).
