

SCIENTIA AGRICOLA

ERRATUM

- *Scientia Agricola*, v.63, n.2, March/April, 2006

In the paper “Animal-based agriculture, phosphorus management and water quality in Brazil: options for the future”:

1. Disregard Figure 2 as printed, and consider the corrected version below.

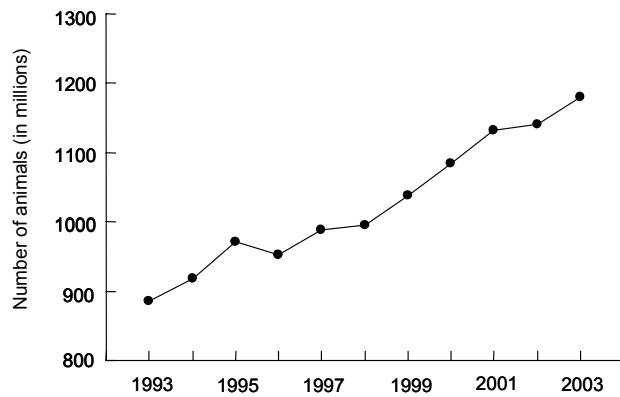

Figure 2 - The number of animals in Brazil; includes beef, goat, horses, poultry, and swine. Source: Instituto Brasileiro de Geografia e Estatística (Brazilian Geography and Statistics Institute, 2003).

2. Correct enunciations of the following references are:

FAO. **Country profiles, maps**. Rome. Available on: <http://www.fao.org/countryprofiles/Maps/BRA/06/pp/index.html>. Accessed at: August 9, 2005.

SHARPLEY, A.N. (Ed.). **Agriculture and phosphorus management**: The Chesapeake Bay. Boca Raton: CRC Press, 2000. 229p.
