

<http://dx.doi.org/10.1590/2237-6089-2019-0002>

The authors of the article entitled "Effectiveness of psycho-educational counseling on anxiety in preeclampsia" (doi: <http://dx.doi.org/10.1590/2237-6089-2017-0134>), published in Trends in Psychiatry and Psychotherapy in ahead of print mode, have identified errors in the authors' affiliations. Specifically, the affiliation numbers assigned to the last three authors (Esmat Nouhi, Moghaddameh Mirzaee, and Monavare Atghai) changed, as did the content of affiliations #3 and #4. Below we present the author byline and the correct version of the affiliations:

Tayebe Abazarnejad,<sup>1</sup> Atefeh Ahmadi,<sup>2</sup> Esmat Nouhi,<sup>3</sup> Moghaddameh Mirzaee,<sup>4</sup> Monavare Atghai<sup>3</sup>

<sup>1</sup> Student Research Committee, Faculty of Nursing and Midwifery, Kerman University of Medical Sciences, Kerman, Iran. <sup>2</sup> Neurology Research Center, Kerman University of Medical Sciences, Kerman, Iran. <sup>3</sup> Faculty of Nursing and Midwifery, Kerman University of Medical Sciences, Kerman, Iran. <sup>4</sup> Department of Epidemiology and Biostatistics, School of Public Health, Kerman University of Medical Sciences, Kerman, Iran
